| <input type="checkbox"/> | Title Services Only |
| <input type="checkbox"/> | Aircraft Appraisal Report + Title Services |
| <input type="checkbox"/> | Closing Agent Service |

I understand that the appraisal will be conducted utilizing the NAAA/USPAP standard evaluation process on the aircraft listed below and that I will receive a Certificate of Appraisal along with a copy of the completed report determining the market value of the subject aircraft. I understand that the inspection to be conducted pursuant to this request will be performed by a visual examination of the external surfaces of the aircraft, the cockpit and the passenger cabin, along with an inventory and assessment of condition of avionics, instrumentation, and aircraft systems. No inspection plates will be removed for internal inspection. Further, the log books and other aircraft records will be carefully examined for compliance with FAA regulations in relation to Airworthiness Directives, damage and maintenance history, along with other required inspection, signatures and certifications.

I understand and agree that any court appearances or expert witness testimony arising from, or in any way related to this appraisal will be paid at the current legal rate plus all travel expenses.

By my signature below, I have reviewed and agreed to the current "Terms and Conditions" and I fully understand the fees involved and that payment is required prior to the examination of any aircraft.
